General Permit Instructions

- ✚ **Who needs a permit?** Effective January 1, 2015, Title 40 of the Aleutians East Borough Municipal Code (AEBMC) requires Commercial Recreation Operators to obtain a land use permit within the Aleutians East Borough boundaries, excluding the municipal lands where AEB has delegated land use planning authority to an AEB municipality (see AEBMC 40.01.020). Commercial Recreation may occur, if permitted by AEB, within the Aleutians East Borough Resource Development District.
 - ✚ “Commercial Recreation” means the commercial provision of services in support of any of the following: fishing, hunting, camping, eco-tourism, hiking, skiing, climbing, canoeing, kayaking, rafting, paddle sports, water sports, scuba, adventure activities, sports, boating, all-terrain vehicle trips, snow machine trips, sight-seeing, bird watching, wildlife viewing, hotels and lodges, and tours. This definition includes professional guides and outfitters. This definition does not include: (a) Casual Recreational Use, (b) any commercial recreation activities conducted by Native Corporations or tribes that are Aleutian East Borough landowners, or (c) local residents that only provide transportation to a fishing, hunting, or recreational location but do not provide hunting, fishing, or ecotourism guide services.
 - ✚ “Casual Recreational Use” means a recreational use of Borough land that is nonexclusive and involves only minimal disturbance to the land by an individual or group of people that are not involved in the commercial provision of commercial recreation services. Nonexclusive examples of a casual recreational use may include: fishing, hunting, camping, hiking, skiing, climbing, canoeing, kayaking, rafting, paddle sports, water sports, scuba, adventure activities, sports, boating, all-terrain vehicle trips on existing trails or under conditions that will not cause damage to the land or vegetation, snow machine trips, dog-mushing, sight-seeing, bird watching, wildlife viewing, and subsistence activities.
- ✚ **Do I need a permit if I plan to run a Commercial Recreation business within an AEB Municipality that has delegated land use planning authority under AEBMC 40.01.020?** You may be required to obtain a local business license, register your business and/or obtain a municipal land use permit. Please contact the AEB Municipality for more information on their requirements.
- ✚ **Do I need an AEB permit if I am a local resident and only provide transportation to someone involved in commercial recreation?** No. You do not need an AEB permit if you are a local resident that only provides transportation to a fishing, hunting, or recreational location, but does not provide hunting, fishing, or ecotourism guide services. However, please be aware of state and federal transporter licensing and certification requirements that may apply.
- ✚ **Is this a new requirement?** Yes. AEB’s Assembly adopted a new requirement in the AEBMC in year 2013, requiring Commercial Recreation Operators to obtain a land use permit within the AEB boundaries.
- ✚ **How do I complete the Application? Is there an electronic version of this form?** An Adobe Acrobat, PDF fillable version of the application can be found at <http://www.aleutianseast.org/> under the Permitting Page. Please save a copy to your computer, rename the file, and fill it in electronically on the computer. Please note that you must print and sign a final hard copy of the application and mail the completed application, along with a check for the fees and all required information to AEB at P.O. Box 349, Sand Point, Alaska 99661.
- ✚ **Can I submit a handwritten application?** The AEB prefers typed applications whenever possible. However, if you do not have access to a computer, the AEB will accept a hand written application. Please print clearly and legibly.
- ✚ **Where do I send my Permit Application?** Please mail a completed copy of the permit application, a check for the fees and all required information to the AEB at P.O. Box 349, Sand Point, Alaska 99661.
- ✚ **Who do I call if I have a question?** Please contact the AEB Clerk/Planner at (907) 383-2699.
- ✚ **What is the permit fee?** The application fee is \$50 per year, and \$25 for each amendment to an existing permit.
- ✚ **When is my permit application due?** Your permit application should be submitted at least 30 days prior to the time you need an approved permit. Most permit approvals should be issued within 10 business days; however, delays can occur during peak work periods or during holidays.
- ✚ **How long is the permit valid?** Approved permits are valid for a one year period from January 1 to December 31 of a calendar year. The permit remains valid, provided applicant complies with permit terms and conditions. Once the permit is issued, the permit may be amended. An amended permit is only valid for the remaining term on the originally issued permit.
- ✚ **What happens if my application is incomplete?** Submittal of an application does not guarantee that it will be accepted. Only applications that are determined to be entirely complete, including fee payment will be accepted. Incomplete applications will be returned to the applicant for additional information and revision.
- ✚ **Who assigns new permit numbers?** The AEB will assign a permit number when your application is received. Please refer to this number in all future correspondence.
- ✚ **How do I renew an existing permit?** Permits are issued each year for a one year period from January 1 to December 31 of a calendar year. A new application must be submitted each year.
- ✚ **How do I amend an existing permit?** A permit amendment may be submitted at any time during the period that the existing permit is valid. The permit applicant shall explain the reason for the permit amendment. A reduced permit application fee of \$25 is charged for each amendment.

- ✚ What is an Authorized Guide Use Area?** The State of Alaska is divided into 26 Game Management Units (GMU). The Big Game Commercial Services Board has divided each GMU into "Guide Use Areas" (GUA). Some GMUs have only one GUA while others have multiples GUAs. A Master/Registered Guide-Outfitter shall register with the Department the GUA which they will be providing big game services in annually, at least 30 days prior to providing big game services. All GUAs expire annually on December 3; however, there are multiple year registrations. It is unlawful for a Master/Registered Guide-Outfitter to contract, to provide big game services in a GMU for which they are not certified or a GUA they are not registered for; therefore, the AEB requires guides to list the Guide Use Areas that they are authorized to provide commercial guide services within the Aleutians East Borough boundaries. See <http://www.dced.state.ak.us/occ/guideusemaps>
- ✚ Why do I have to provide maps of the area?** The AEB needs maps to be submitted to clarify the areas that you plan to operate your business. This will aide AEB in determining whether you have legal access to conduct business in that area, have a location map to use to inspect the location, and to work with the applicant to identify low impact ingress and egress options to mitigate habitat and subsistence use impacts.

The AEB will not issue permits to applicants that cannot demonstrate that they own or have secured legal access to use private, local, state or federal lands for commercial purposes. Please provide a contact name and phone number that can verify your legal agreement.

Section No. 9 Instructions:

In this case you will be notified by letter of the date of the Planning Commission meeting and will be expected to participate in the meeting, at a location designated by AEB, to discuss your application with the Commission. If you do not participate in the meeting, the Planning Commission will deny your permit. If your permit is denied by the AEB Administrator, you may submit an appeal to the Borough Board of Adjustment pursuant to Title 40 of the AEBMC.

Section No. 10 Instructions:

Section No. 10 is a list of standard permit stipulations that will be applied to your permit approval.
